TRAFFIC WORLD

THE WEEKLY NEWSMAGAZINE OF TRANSPORTATION MANAGEMENT

SEMI-ANNUAL INDEX

July to December (inclusive), 1964

VOLUMES 119-120

This index, planned for ready reference, is thoroughly cross-indexed, and designed to facilitate the finding of desired stories and news reports under appropriate headings. The index is divided under fifteen heads, conforming closely with the departmentalization of TRAFFIC WORLD.

INDEX TO CONTENTS

General Index 2

Contains news items and articles not generally classifiable under more particular headings, as well as a cross-index to many of the more important items appearing under the particular headings.

International Trade and Transport 12

Interstate Commerce Commission News:

Cases 14

Subjects 23

Under this index there appear two subheads. The first, "Cases," lists titles of cases filed, heard, reported and decided. The second, headed "Subjects," includes general designations of subjects involved in the more important cases. A similar division of the indices into two subheads is carried out under C.A.B. News, F.M.C. News and Court News, below.

State Commission News 27

Civil Aeronautics Board News:

Cases 27

Subjects 28

Federal Maritime Commission News:

Cases 29

Subjects 30

Maritime Administration News:

Cases 30

Subjects 31

Court News:
